

GW INSTEK PRODUCT RANGE

Digital Storage Oscilloscope (Up to 650 MHz)

Single and Multi Channel Programmable DC Power Supply

Arbitrary Function Generator (Up to 200 MHz)

Single and Multi Channel Programmable AC - DC Electronic Loads

GW INSTEK PRODUCT RANGE

Single and Three Phase Programmable Linear AC Power Source

Leakage Current Tester

Intelligent Counter

High Frequency LCR Meter

GW INSTEK PRODUCT RANGE

***Single and Three Phase
Digital Power Meter***

D.C Milliohm Meter

Battery Meter

Automatic Distortion Meter

GW INSTEK PRODUCT RANGE

AC Ground Bond Tester (40 Amp)

AC / DC / IR / GB Electrical Safety Tester

6.5 Digit Dual Measurement Multimeter

3.25 - 8 GHz Spectrum Analyzer

PROGRAMMABLE AC / DC POWER SUPPLY AND ELECTRONICS LOAD

(1U) 600 W ~ 1600 W
Programmable DC Power Supply

(2U) 1000W ~ 40000 W
Programmable DC Power Supply

(2 U) 600 W ~ 1500 W
Single Phase Programmable AC Power Suooly

(3 U) 2000 W
Programmable AC Power Supply

PROGRAMMABLE AC / DC POWER SUPPLY AND ELECTRONICS LOAD

FTB 9000

Bidirectional programmable DC power supply

FTG series

Modular high-power programmable DC power supply

FTGK Series

Industrial programmable DC power supply

FTL series

high precision DC power supply (90W-1500W)

PROGRAMMABLE AC / DC POWER SUPPLY AND ELECTRONICS LOAD

(3 U) 6000 W ~ 18000 W
High Reliability Programmable DC Power Supply

(4 U) 3000W ~ 5000W
Programmable AC Power Supply

(6U) 24000 W ~ 36000W
Programmable DC Power Supply

(9 U) 1200 W ~ 4500W
AC POWER SUPPLY SYSTEMS

FAITH PRODUCT RANGE

Bidirectional programmable DC power supply

FTG series
Modular high-power programmable DC power supply

FTGK Series
Industrial programmable DC power supply

FTL series
high precision DC power supply (90W-1500W)

PROGRAMMABLE AC / DC POWER SUPPLY AND ELECTRONICS LOAD

(17 U) 6000 W ~ 15000 W
AC POWER SUPPLY SYSTEM

(21 U) 12000 W ~ 20000 W
Programmable 3 phase ac
power supply system

DC Electronic Load System

FAITH PRODUCT RANGE

FT6110 series multi-channel DC electronic load

FT6200A series low-power DC electronic load

FT6300A series
medium and low-power DC electronic load

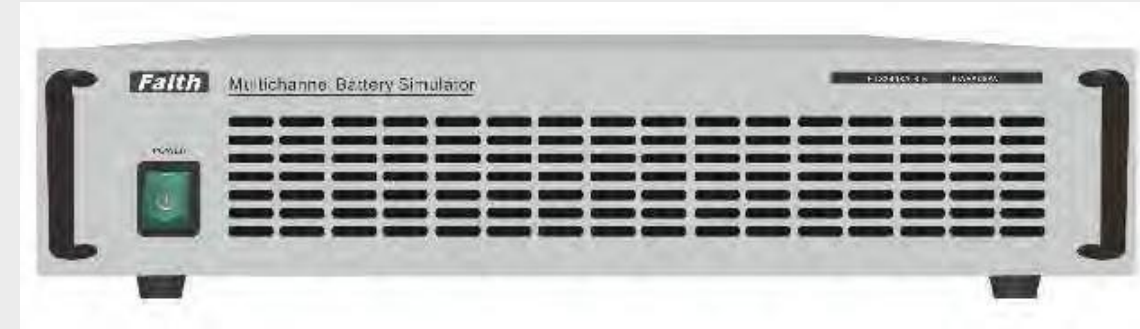

FT6400A series medium-power DC electronic load

FAITH PRODUCT RANGE

FT6800 series
high-power DC electronic load (2.6kW-72kW)

FT8340
multi-channel Bipolar DC Power Supply - Battery Simulator

FT63200A-E
Medium Power Programmable DC electronic load

FT66100A multi-channel DC electronic load

FAITH PRODUCT RANGE

FTL-P series
wide range digital-control DC power supply

FTP 3000
Series wide range programmable DC power supply

FTP9000 series
high-power programmable DC Laboratory power supply

NT -N- N Series
Ultra low voltage high current programmable DC
electronic load
